What this means for you

Existing customers who have an active TAIB ATM card will be issued a free **TAIB Debit Mastercard** that is linked to your account.

You can use the card not only for ATM withdrawals, but also for swiping or tapping at any merchants, including restaurants, hotels and retailers.

You will be notified via SMS when and where your card is ready to be collected,

How to activate your card

Begin using in
3 simple steps

1

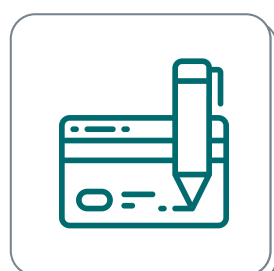

Activate your card by inserting it to any TAIB ATM and follow the instruction on the screen to set your PIN

2

A One-Time Password (OTP) will be sent to your mobile phone to be key in and validated on the ATM. You need to set a new PIN to proceed with your card activation.

3

Sign at the back and start using your card today!
