1. What is Property Financing facility? Property Financing is a secured or collateralized financing for the purpose of: (a) Buying Land or completed house (b) Constructing new house (c) Transferring of Property financing from other Banks or from government loan	
2. What is the Syariah concept used? This financing is based on the concept of <i>Tawarruq</i>, whereby Perbadanan TAIB will purchase Commodities from a supplier through Bursa Suq Al-Sila' to the value of the financing amount applied, and then sells the Commodities to the Customer. After agreeing to purchase the Commodities from Perbadanan TAIB at a <i>Murabahah</i> (cost plus profit) price on a deferred payment basis, the Customer will be presented with the <i>Murabahah</i> Sale and Purchase Agreement for signature. The Customer being the owner of the Commodities will be presented with the following options: (a) To appoint Perbadanan TAIB as an agent to sell the Commodities to a third party on behalf of the Customer, and to credit the sale proceeds in accordance to the Customer's instruction, or (b) To take the physical delivery of the Commodities and to sell them himself and bear all associated costs such as transportation, taxes, storage etc. If option (a) is selected, the Customer will sign a <i>Wakalah</i> (Agency Agreement) at the cost price representing the financing amount of the Commodities. "Commodity" refers to Syariah-compliant commodities which shall include but are not limited to crude palm oil or other acceptable commodities excluding <i>Ribawi</i> items in the category of medium of exchange such as currency, gold and silver, which are provided through the Commodity Trading Platform.
